

GREAT MAJESTIC COOKING

ALL THIS WEEK

EXHIBIT

ALL THIS WEEK

In order to prove to all our friends that the Majestic is the most perfect range on the market, we have arranged for a Cooking Exhibit lasting one week.

During this Exhibit we will have a Majestic Range in operation and show our friends that it will BAKE BETTER AND QUICKER, HEAT MORE WATER AND HEAT IT QUICKER, WITH LESS FUEL than any other range made.

We don't ask you to believe all our statements but do ask you to call at our store any time during the exhibit and we will convince you that the Majestic is exactly as represented. Don't fail to give us a call--note the date.

Free During Week of Exhibit.

We will give one set of MAJESTIC WARE FREE to any one purchasing a Great Majestic Range during this exhibit. We make the broad statement that this set of ware is the finest ever offered for sale--not a piece of tin in the entire set. We have the ware at our store if you will call and see the set you will agree with us that it can't be bought for less than \$7.50. Biscuits baked in three minutes and served with delicious coffee to all who call. Be sure and come.

Don't fail to call and get a GOOD CUP of COFFEE and HOT BISCUITS, and see the working of the Best Steel and Malleable Iron Range on Earth. A range that will cook with half the fuel you are now using and will last a lifetime.
